

## What Hazrat Imam Mehdi (as) and Khalifa Awwal (r) say about "Wateen"???

Azizam Maqbool Sahib,

Assalam O Alaikum W. W. !

**Syedna Hazrat Imam Mehdi (as) says** ( according to Sura Alhaqa, **see RK. vol. 17 Page 434**) that a false or Muftri Illalah can not and never in history could live 23 years after his open claim in public. Hazrat Imam Mehdi (as) also challenged in his book arbaeen in open public that if someone can show me any false claimant who lived 23 years after his open claim in public then I will pay him 500 Ruppees (which is like at least a million ruppes now).

**Hazrat Khalifa awwal (r) said** that "wateen" is that vein which comes from head and goes to the heart of a man.  
(**see Akhbaar Albadr Dec. 15, 1911 and also see his Tafseer of sura alhaqa, Haqaiq ul furqaan page 203**)

**Then see also Tafsee-e-Sagheer page 770** where Mian Sahib or his wonderful ulma (as he used to call them) say that " we cut his vein in neck" ( us ki raghay gardan kaat detay).

Mian Mehmood Sahib claimed in 1944 in Lahore on the base of a very strange and lengthy dream that he is infarct Musleh Maud ( the promised Zaki Ghulam).

1) Can you or anyone prove from his claim in open public, first time ever, till his death in 1965 that he has completed 23 years as Quran and Hazrat Hakam Adl (as) told us and gave an open challenge to entire world????

2) Is witness by three top specialist doctors from Hamburg, Zurich and London and Ch. Zafar Ullah Khan sahib who was translator and was with Mian

Mehmood Sahib all the time during these check ups, is not acceptable to you  
?????

**Azizam**, fear Allah and do not misguide simple Ahmadiis they are already misguided very much by this *dajjal* of Ulma and successors of Mian Mehmood sahib. Give them a break!

Also, we have proved already in this forum that azizam Syed Saleem sahib do not even have an idea of the claim of Mian Sahib in 1944. Saleem sahib made him mamoor (which is true because Maud Mulah (Promised by Allah Taala) were and will be always Mamooreen, like Isa (as), Muhammad (sw), Imam Mehdi (as) and many others. But Mian Mehmood Sahib some times say I am Mamoor Minallah and then says I am not mamoor Minallah and some times he also says that I am in between Mamoor and ghay mamoor. Inna lilla hay wa inna alay hay rajayoon !

### **Conclusion:**

This is an ultimate results of research of both of you :

Your research and its result is against the beliefs of Syedna Imam Mehdi , hakam adal (as), Hazrat Khalifa awwal (r) and even against the belief of Mian Mehmood Sahib.

And result of long research of Saleem sahib in the defence of Mian Sahib is also against the beliefs of Mian Sahib himself and all his top ulma of that time.

### **My humble advice to you both:**

kindly, do not waste your and everyone's time. Stop misguiding simple Ahmadiis and other non-ahmadi Muslims in general. Accept the Promised Mursal Hazrat Abdul Ghaffar sahib (as) came in your life according to the prophecies and Ilhamaat of Syedna Muhammad Rasoolullah (sw) and Hazrat Imam Mehdi (as) to save yourself and your generations to come.

## Is this the Islaam of Muhammad-e-Arabi (sw)????

Dear respected all,  
Assalam Alaikum W. W. !

**Can any of you reply these questions?????**

**(1)** Is this Islamic teachings to announce and call names in different mosques in different cities of Pakistan on different days and then expel 5 to 9 years old kids ( you called Islam to this Nizaam ) ???? This is what this Nizaam-e-Jamaat Mehmood did in Pakistan !

**(2)** Is it what Syedna Imam Mehdi (as) told and instruct you to do ( Nauzobillah) after his death????

**(3)** Is it according to the human rights and rights of children in any country on the surface of this earth?????

**(4)** Which Islam are you presenting to the world ( **is this the Islam of Muhammad-e-Arabi (sw) ?????**

Aanhazrat (sw), Hazrat Imam Mehdi (as) or Khalifa Awwal (r) never did this in all their lives. If you continue ignoring this "Zulm" then this *Fairauni Nizaam* will continue making you "Zaleel" , *bay ghayrat and baysharm* and also *munafiq* like bani israel during Firaun and Musa (as).

This was *sunnat* of your beloved Mian Mehmood Ahmed sahib so called musleh maud, to ask water man and milk man to stop delivering water and milk to families who were Ahmadis in Qadian and Rabwa and had very young kids as well and they left their homelands for the love of Imam Mehdi (as) but had some disagreements with this *Yazeedi Nizaam* due to it's non-islamic and anti maseh maud activities.

Allah Taala told you that if you see "Zulm" then you should face it to defeat it and leave "zalimeen" not to stay with them but some of you call them leaders and *khalifa of real Islam/Ahmadiyyat*. Can you attach these *zalim khulfa* with the teachings of Quran/ Islam/ Ahmadiyyat ??????

*Kafi hay sochnay ko aghar ehl koi hay !*

### Two Different types of Khilafat

Dear very respected all ,  
Assalam O Alaikum W. W. !

You are absolutely correct that Khalifa awal was chosen by Momineen of Syedna Imam Mehdi (as). He was not appointed by Allah Taala (mamoor minallah) with any Ilhaam like Syedna Imam Mehdi (as) was appointed or previous mujadideen, anbiya and mursal were appointed. There is no doubt that he was a *rashid khalifa* like previous *rashid khulfa* of mamooreen minallah.

We should never forget that there is a clear difference between Syedna Imam Mehdi (as) and khalifa awwal (r) ( ameer ul momeneen) exatly the same like there was a clear difference between Aanhazrat (sw) and his rashid khulfa (ameer ul momeneen). And that difference in short is the mamooreen minallah (appointed by Allah with Ilhaam) and chosen and selected by *momeneen* (believers of the mamooreen minallah). We shall also note the difference that Mamooreen Minallah will have no power to excuse and step down from the *mamooriyyat* given by Allah but a Khalifa selected or chosen by people can leave the office for someone else for the benefit of *umma*.

We firmly believe that all rashid khulfa (ameer ul momeneen) have *ta'aed* or *nusrat* of Allah Taala with them as long as they stay on *saratay mustaqeem* left by Mamoor Minallah for them. But people like yazeedis and Abbasis were also called khulfa (ameer ul momeneen) but we all know from the history of Islam what they did with very close believers and loved ones of Aanhazrat (sw).

Finally, we should also remember the short speech delivered by Hazrat Abu Bakar (r) after his selection as Khalifa tul rasool and Ameer ulmomeneen. **This Man of God said that obey me as long as I stay on the right path left by Muhammad Ur Rasoorullah (sw) and if I do not stay on it or deviate or depart from it then O ' Ummah you do not have to obey me and you have right to make me straight or even expel me from this office.**

You see the difference between *mamoor minallah* (Nabi, Rasool, Mujadid or Muhadis) and their righteous successors (khulfa). Mamoor minallah will never say or has said that O' people you have authority to expel me from this office but khulfa selected by *momeneen* could be expelled by people in case of their misconduct or mismanagement as Hazrat Abu Bakar (r) advised ummah to do even in his own case. **Do you know why Mamooreen Minallah (Nabi, Rasool, Mujadid or Muhadis) do not advise their ummah to expel them from their offices ??????** It is because they are controlled by Allah Taala directly with that *ruhul qudus* and they are guaranteed by Allah Taala Himself that I (Allah) will correct all your humanly mistakes before you leave this world so your ummah can stay on the right path.

And of course some times Allah Ta'ala continue progress of His Jamaat even through *yazeedis* or *Abbasis*, as Syedna Imam Mehdi (as) reminded us this fact in his many writings. .

**At the end**, I will say that mamooreen Minallah (Mujadid, Muhadas, Nabi or Rasool) will continue coming and **they are actually *khilafat ila min hajay nabowat* of Aahazrat (sw) but in between them, their will be umrah, khulfa or Imam who will be chosen by *momeneen* and they will or should work until the next mamoor minallah (nabi, rasool, mujadid or muhadis) comes because he is the real "waris" or has a superior and ultimate right to be called *khalifat ila mihajay nabowwat* of Aanazrat (sw) and this is that **Khilafat promised (in sura noor)** till the last day in this universe. **And that is the truth as Syedna Imam Mehdi (as) told us more than many dozen times in his writings and he considered himself and all previous mujadideen as *khilafat ila mihajay nabowat* and he said several times that it is going to continue till Qayamat.****

**Shame on those people who called themselves Ahmadis but believe totally against the beliefs of Syedna Imam Mehdi (as) because these ignorant s believe that people's chosen umrah or khulfa will continue till qayamat, instead of mamooreen minallah (chosen and appointed by Allah Taala Himself with *Ilhaam* not by any election committee).**

## **An Offer to Syed Mubashar Ahmed Sb. & Akram Khalid Sahib**

Dear very respected Akram Khalid Sb. and Syed Mubashar sahib,

Assalam O Alaikum W. W. !

I read your long emails . We do not have any grudge against Mian Bashiruddin sb. or Maulvi Muhammad Ali sahib or their successors. We hate those people who misguide simple Ahmadis, regardless they are from lahore side or Qadian side because they are not our relatives.

Also we send *lanat* as Allah and His angels send *lanat* on Muftari Illah (**whoever is he**) and we believe that anyone follow that muftari illah because of any fear or for some worldly benefits like office or salary, even after knowing all facts is also *munafiq and fasiq* and Allah Taala sent *lanat* on these munafiqeen and fasiqeen as well. I hope you will agree with this *aajiz* so far !

We have proved you with many dozens irrefutable references that both groups (lahoris and Qadian side) finally went wrong and started disobeying Hazoor (as) clear cut instructions. Qadian side or Lahoris have no refutable answers for these proofs we have presented before them.

Once agin, I will request both of you to take some time and read or watch the enclosed links with care and tell us in one or two weeks after your complete and detailed research.

- 1) What was wrong presented by us here?????
- 2) Did we make our own stories ?????

3) What will be your interpretations of these references in the light of their *siaq* o *sbaq* (back grounds) ????

4) And then finally, please tell us if it was normal or okay for any maud musleh to do all this what Mian Basheerudin sahib *marhoom* and his successors did????

Please see these links and kindly provide answers of all above simple questions in the light of writings and sayings in the following links:

( videos number 70 and 71 of 5th Jalsa Salana 2014 of Germany)

**Azizan Akram and Mubashar sahibaan, On the day of judgement Allah Taala is not going to ask you, how quickly and how many long emails you sent but He will ask you why you did not follow my Ilhaamt to Imam Mehdi (as) and why you did not use your common sense, which I gave you, that the person who has this kind of character and beliefs can not be on my side and therefore can not be a Promised Musleh.**

**We all are waiting for your reply. Take as much as time you need, we are not in hurry but cover all above four points with *Taqwa*, *Dua* and with keeping in mind that you want the right path and you want to leave the way which is not Allah's way.**

May Allah help you all to find the true way of Allah Taala that starts with accepting His messenger, Mamoor Minallah. Aamin !

## Once Again, History Repeated Itself !

Dear respected all,

Assalam O Alaikum W. W. !

I am trying again and again to tell you all in this and other forums that these "*duayya asha'ar in Durray sameen*" (verses for prayers) of hazrat Imam Mehdi (as) for his children or family are not words of Allah Almighty (ilhamaat). **He (as) clearly and always mentioned in detail if any of verses (Asha'ar) was Ilhaam (the words of Allah Taala)**. What hazoor (as) said in some of his poetry or other writings are prayers for his nation and his family members.

I further would like to add these irrefutable facts that many *mursaleen* of Allah Taala have done this act of praying for their children. As a matter of fact all *mursaleen* did most definitely pray for their nations in which they were appointed. And their own family members including their children, wives, brothers, sisters, parents, etc. etc. are always integral part of their nations in which they were or will be appointed. I have given many examples, many times in this and other forums from early 2010 till to date.

And I try again today to help you to understand this very obvious fact that Hazrat Adam (as), Hazrat Noh (as), Hazrat Loot (as), Hazrat Yaqoob (as) and now Hazrat Imam Mehdi (as) were all *Mamooreen Minallah* of their times sent to their nations by Allah Taala. And they all have offered prayers for their nations which included their own family members. But we all know that their children and family members were given a

proper opportunities to become *momeneen* (believers) and obedient of Allah Taala but in all above cases some children and some wives became followers of *shaytaan mardood* (devil).

If someone does not believe in me then I would request him to read Quran-e-Kareem with proper and required attention to understand it's verses.

Syedna Hazrat Imam Mehdi (as) was ( like he said many times) Adam (as), Noh (as), Ibraheem (as) also Yaqoob(as) of this time and he(as) also has offered special prayers for his nation that includes his (as) family, children and wives. But we all know that Allah Taala gave every possible opportunities to his nation including his family (father and mother side) , wives and all children but we also know many of them did not benefit from these opportunities and did not accept him as a true *Promised Mamoor Minallah* and that means they rejected him in his (as) entire life . These family members who rejected him (as) were : his (as) first wife, his (as) two sons from first wife (but Mirza Sultan Ahmed Sahib accepted his father after his (as) death and very close to his own death), his (as) entire family from father and mother side except very few people and they could be counted on our fingers. Most of the family members from his (as) father side did not accept him (as) and therefore died as disobedient of Allah Taala (fasiqeen).

Finally, the family members (children, especially sons) accepted Hazoor (as) did every possible work against his (as) advice, will and wishes. Kindly, watch these attached two videos carefully and then contact us back to report any misrepresentations or misstatements we made. Please take your proper time and watch both videos till the end and then you will find out in simple words what these children have done and how they did not avail the opportunities Allah Taala provided them to become His (swt) obedient :

May Allah enable you all to understand the difference between words of Allah Taala (ilhamaat) and words or wishes of any *Mamoor Minalah*. Amin !
